MRS. GREATON'S AWFUL **EXPERIENCE**

During Change of Life-How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman.

Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold, I had creepy sensations, and I could not sleep nights. I was finally told by two physicians that I also had a tumor. I read

one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this perod of life. If it will help others you may publish my letter."-Mrs. MARION SWEET GREA-TON, No. 1 Jefferson St., Natick, Mass.

Change of Life is one of the most critical periods of a woman's existence, Women everywhere should remember that there is no other remedy known to so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydla E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
